

Balaclava

Ultimate protection from cold, wind, dust, and UV rays

Balaclava with a hinge design that can be worn in a variety of ways from face mask to neck gaiter

Covers face, nose, mouth, and neck while maintaining breathability

Balaclava features mesh breathing panels to increase airflow while minimizing condensation on your eyewear

Self-extinguishing thermal fleece and mesh material*

Use for freezer workwear, warehouse workwear, construction, skiing, snowboarding, ATVing, and hunting

One size fits all

*Materials are composed of treated fleece and polyester which will self-extinguish when exposed to flame. Balaclava does not provide protection against arc flash and should never be used where an arc flash or flash fire hazard is present. Self-extinguishing properties will diminish with washing.

Part No.

BL111 non-rated black balaclava

Material

weight: 240 gsm • yarn count: 100 d

outside: 100% thermal fleece

inside: 100% polyester mesh
